

Getting to Zero Progress Report June 2016

Number of People Active on the By-Name List

386

The number of Verified/Potentially Chronically Homeless individuals who are active on the by-name list as of June 1, 2016 and not yet matched to a housing resource. This number fluctuates as people get housed, become inactive, or become homeless.

Number Housed Last Month

57

Number of Chronically Homeless people housed statewide in May 2016, as reported by CANs to CSH.

Number Housed Since October 2015

463

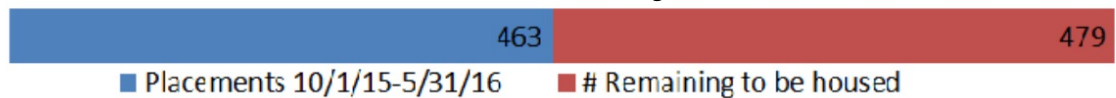

Number of Chronically Homeless people housed statewide since October 1, 2015, as reported by CANs to CSH.

Statewide Progress Towards Zero: 2016 Housing Goal

942

Statewide 49% of Housing Goal

79 individuals need to be housed monthly to reach our goal!

The Statewide Zero: 2016 housing goal is based on a count of active verified and potentially chronically homeless individuals on the By-Name List, and adjusted to include anticipated inflow through the end of 2016.
