

Getting to Zero: Data Progress Report August 2016

Number of People Active
on the By-Name List

384

The number of Verified/Potentially Chronically Homeless individuals who are active on the by-name list as of August 1, 2016 and not yet matched to a housing resource. This number fluctuates as people get housed, become inactive, or become homeless.

Number Housed
Last Month

63

Number of Chronically Homeless people housed statewide in July 2016, as reported by CANs to CSH.

Number Housed Since
October 2015

570

Number of Chronically Homeless people housed statewide since October 1, 2015, as reported by CANs to CSH.

Statewide Progress Towards Zero: 2016 Housing Goal

942

Statewide 65% of Housing Goal

■ Placements 10/1/15-7/31/16 ■ # Remaining to be housed

93 individuals need to be housed monthly to reach our goal.

The Statewide Zero: 2016 housing goal is based on a count of active verified and potentially chronically homeless individuals on the By-Name List, and adjusted to include anticipated inflow through the end of 2016.
