

Connecticut was the second state to effectively end veterans homelessness, and we are on the cusp of ending chronic homelessness.

Join us to celebrate!

Your support means that **Reaching Home** can continue to forge strong and lasting networks between governments, non-profits, individuals and business partners, coordinating efforts to come together to take action and make sure that **no one** is without a safe, stable place to call home.

Reaching Home provides the support for statewide planning and coordination to end homelessness. We share knowledge, build partnerships, advocate for housing options for vulnerable people, and create strategies for taking action.

You are a big part of that effort. And this year, you can be the difference between someone living on the streets or having a warm and supportive place to stay, *permanently*, by becoming a Reaching Home sponsor.

The Reaching Home Campaign is staffed by the Partnership for Strong Communities. Our mission is to end homelessness and expand affordable housing to strengthen Connecticut communities.

Please join us for the 12th annual Reaching Home Celebration Dinner and Housing Awards to celebrate our collective successes and the partners who have made these achievements possible.

Award categories:

The Carol Walter Supportive Housing Tenant Award

The Diane Randall Leadership Award

The Rev. Richard Schuster Advocacy Award

The Reaching Home Campaign is focused on ending homelessness in Connecticut through **Opening Doors, the national strategy to prevent and end homelessness amongst people who are chronically homeless, veterans, children and families, and youth.**

Please help us continue our work to end homelessness by **becoming a sponsor of the 12th Annual Reaching Home Celebration Dinner and Housing Awards.**

2017 Reaching Home Celebration Dinner and Housing Awards

Thursday June 15, 2017

5–8 pm, Radisson Hotel Cromwell
100 Berlin Road, Cromwell, CT

Together we can end homelessness and bring a new vitality to our state.
