CONNECTICUT AFFORDABLE HOUSING CONFERENCE 2025

NOVEMBER 17-18, 2025

We are excited to host the sixth annual Connecticut Affordable Housing Conference (CAHC)! Each year the CAHC is our opportunity to convene, collaborate, and drive meaningful change to improve and expand housing *affordability*, *creation*, *choice,* and *stability* across our state.

The CAHC spans two full days, offering a diverse array of sessions tailored to advocates, policymakers, housing and service providers, lenders and funders, and the public. **All are welcome.** We spotlight strategies and solutions that help advance the vision that everyone in Connecticut has a safe, stable, affordable home.

At the Partnership, we drive bold, structural change by advancing policy solutions, leading advocacy, expanding research, and strengthening coalitions. Your investment supports increasing housing opportunities, protecting low-income home renters and owners, and building a more equitable future for us all.

The CAHC is free and accessible thanks to the generosity of our sponsors. We are deeply grateful for your support and look forward to partnering with you to make this year's CAHC a resounding success. Together, **we are here for housing.**

HERE FOR HOUSING

Housing is a human right. Everyone should have access to a home they can afford, that is safe and healthy, and in a thriving neighborhood.

A healthy housing system necessitates a comprehensive approach that intertwines housing affordability, creation, choice, and stability. People need to afford their homes while meeting their other basic needs. We need more homes in Connecticut. We need all different types of homes for people to choose from in all different communities across our state. People should have the right to safe, stable homes.

We must weave a housing system that addresses the needs of all of our residents, and prioritizes the needs of those at the margins. We are here for housing access, equity, and justice.

YOUR SPONSORSHIP REACHES:

- 600+ conference attendees
- 5,000 monthly website visitors
- 5,000 email subscribers
